

Price developments for September 2019

As at 30th September 2019

- This publication outlines price developments for electronic communications.
- Main items of this publication:
 - ✓ changes to existing offers and services; and
 - ✓ comparison between plans and offers of different service providers.
- This document is not intended to provide an exhaustive description of the mentioned plans. More information can be retrieved directly from the website of local service providers (also refer to links provided in Slide 11).
- All price figures quoted in this presentation include VAT but exclude excise tax, unless stated otherwise.
- Only products advertised on operators' websites are listed in this snapshot. Operators may offer other plans on which information is only available in the general terms and conditions.
