Collaboration during Paris 2024 Olympic & Paralympic Games

Supporting the Radio Frequency Monitoring Activities during the Paris 2024 Olympic & Paralympic Games

The MCA has collaborated in the successful management of wireless communications during the Paris 2024 Olympic & Paralympic Games. Our experts from the Spectrum Management & Technology Group joined forces with the Agence Nationale des Fréquences (ANFR) and other European Regulatory Authorities to ensure seamless connectivity across all Olympic & Paralympic sites.

Together, they helped manage the radiofrequency spectrum, which was critical for the smooth operation of these prestigious events.
